Transportation arrangements will be worked out for the time we are in Whitefish. Ground transportation is a function of staff configuration. We are staying on the mountain and have limited need of vans. There are multiple very efficient airport shuttle companies. As we have to get the staff there anyway so it all costs the same; any provided ground transportation is included in the coach support fee.

Housing:       Kandahar Lodge, Big Mt. MT.

Documentation: Return the registration form and fees to Lester by 2/2/05. Fax is 435 649 3613. Email is [lkeller@ussa.org](mailto:lkeller@ussa.org)

Payment: **Please note** that USSA & regional policy requires pre-payment of trip and race fees. You have to send a check or credit card or make other arrangements when registering! Neither beds nor bibs issued without settling accounts in advance.

First timers to a regional project: Take the medical release with you and give it to Randy or Jeff.

**Important:** Enforcement of equipment regulations concerning ski length, stand height, radius of skis and suit ploms are all in effect. Those regulations can be found on the FIS website [www.fis-ski.com](http://www.fis-ski.com).

**Programs please note:** Because of the way the NorAm is distributed and controlled between the US and Canada this project is a logistical **Challenge**. Racers are still being added as national team, Canada, and foreign intentions change. We need your help in confirming your athletes on this list and coordinating their travel plans. Assume they have not received any notification from this office.
