

# Preliminary December National FIS Selection Board

In addition to Automatics, each division has a quota equal to 1/2 of its regular Western Region FIS Series quota. Intermountain's normal quota is 6F/13M giving us a quota of 3F/7M for this event. To appear on the selection board, an athlete must have returned a Medical Release and Team Agreement and either registered for the FIS list or returned a FIS Athlete's Declaration. Independent races must also have submitted an indent form and a \$200 deposit. The deadline for the final selection board is October 15.
